

# NUR 210C : Fundamentals Clinical

This clinical course focuses on the professional nursing roles as the student develops foundational health assessment and nursing skills in the clinical setting. Emphasis is placed on competencies related to quality and safety in the provision of client care. This course is the clinical application of [NUR 209](#) Fundamentals of Nursing and [NUR 202](#) Health Assessment.

**Credits** 2

**Prerequisites**

All previously required support courses; sophomore standing in nursing or consent of the faculty.
