History of Bellin College

Bellin College has a long, rich history and a distinguished reputation as an excellent educational institution. Although many changes occurred over time, the commitment to providing growth, opportunity, and excellent education for healthcare providers continues.

Our parent company, Bellin Health System, and its leader, Dr. Julius Bellin started the academic institution in 1909. The College began as a diploma school when it enrolled three students to the Deaconess Sanitarium Training School for

Nurses. It was not until 1925 that the name of the hospital was changed from Deaconess to Bellin Memorial Training School in honor of its founder, Dr. Julius Bellin. In 1942, the school became known as Bellin Memorial Hospital School of Nursing. Over time, the school would take on many title changes, but Bellin would always be a component of the name. A new nurse's residence was built and annexed as the north wing of the hospital. More classrooms were added, and clinical experiences were expanded. The Cadet Nurses Corp graduated its first class in 1944. Accreditation of the College was granted by the State of Wisconsin in 1930 and by the National League for Nursing in 1953.

The school closed in 1953 for the purpose of building a new nurses' facility, which opened as the Charlotte Fowler Residence in 1955. The building not only housed 80 students but also included a skills laboratory, library, lounge, and classrooms. At the same time, the curriculum became less task-oriented with greater emphasis on theory and scientific rationale. Students began attending the University of Wisconsin Extension at Green Bay for general education courses. In 1958, the first male student was admitted to the program and graduated in 1961. It would be another 12 years before another male student entered the nursing program.

In 1984, the school became a four-year BSN program and admitted its first baccalaureate students. After years of planning, a new curriculum was implemented that addressed the new trends in healthcare and education. The school's name changed to Bellin College of Nursing to better reflect the new independent status of the educational institution. While many students still took most of their general education courses at the University of Wisconsin-Green Bay, courses from other accredited institutions were accepted for transfer, making it easier for students from greater distances to enroll in the nursing program. The College relocated to a newer building in 1994 located at 725 S. Webster Avenue, and the Charlotte Fowler Building was demolished. In 1997, an accelerated 21-month transfer option was developed to stay with the trends in nursing education, and in 2001, the sophomore transfer option was developed to allow students with prior general education credits to join the nursing program.

A comprehensive needs assessment in 2002 confirmed the need for a graduate nursing program in northeast Wisconsin. The Higher

Learning Commission (HLC) conducted an accreditation review of the College in 2004 and granted permission for the College to begin offering a Master of Science degree in nursing with specialty tracks in administration and education. The first graduate students were admitted in August 2004. The Commission for Collegiate Nursing Education (CCNE) accredited the baccalaureate program in 2003. A CCNE visit was completed in 2008, with accreditation received for an additional ten years. The nursing program is also approved by the Wisconsin State Board of Nursing. The first class of MSN graduates received their degrees in 2007. January of 2008 marked the first cohort of students entering the 15 Month option, where students complete all their general education courses and receive their nursing degree in just 15 months.

With the growth and changing needs of higher education, the College broke ground in 2008 for a stand-alone campus located at 3201 Eaton Road, Green Bay, WI. The Higher Learning Commission granted the College approval to offer a Bachelor of Science in Radiologic Sciences (BSRS) and the ability to offer general education courses on campus. The College moved to its new location in 2009, and the name officially changed to Bellin College to signify degrees beyond nursing. In 2009, the College also celebrated its 100th year anniversary.

The Radiologic Sciences program has a long-standing history with Bellin Hospital. The Bellin School of Radiologic Technology was inaugurated in 1957, founded by Dr. Lyle Edelblute to alleviate the critical technologist shortage that existed in the field of x-ray technology. Two students were admitted to the class in 1957. The program was a two-year certificate. The bachelor's program offered a 4-year program of study that provided graduates with additional knowledge and skill in leadership plus 2 of 3 specialties: CAT Scan, MRI, and/or Women's Imaging, which included mammography and DEXA (bone densitometry). The first class graduated in 2013.

In 2011, the Board of Trustees approved to begin offering a Family Nurse Practitioner option at the master level. The first class entered in 2013. In 2015, the first class of family nurse practitioner students graduated.

In 2014, in partnership with Bellin Health, to help meet their need to have an 80% BSN nursing

staff by 2020, the College collaborated to create an RN to BSN program. The first class graduated in 2017 and in 2021 the last cohort graduated. The curriculum supported the needs of the working RN. In 2014, additional unfinished space in the Health Sciences Resource Center (HSRC) was completed to enhance the Center to include simulation spaces for labor and delivery, an operating room suite, a multi-faceted space that can be a critical care/pediatric ICU/trauma/recovery room spaces, as well as primary care exam rooms to meet the changing needs of simulation and interprofessional education.

A demand for sonographers was noted, and the College explored offering a Bachelor of Science degree in Diagnostic Medical Sonography (BSDMS). The board approved this option, and in 2016, the Higher Learning Commission granted permission for the College to start this program. It is a three-year program, with students attending year-round to earn their degrees. The Commission on Accreditation of Allied Health Education programs approved the Sonography program in September of 2018. The first class was admitted in the fall of 2016 and graduated in 2019. Additional space was completed in the HSRC area to accommodate a lab and two high-end technology classrooms. The Higher Learning Commission also approved that the college could offer distance education in 2016.

Growth continues for all programs as well as new initiatives. In 2016, the nursing assistant program was offered to a local high school to support the need for more opportunities for students within the healthcare field. The program continues to be a popular option for high school students. The nursing assistant program was initially offered in 1990-1995 but stopped due to low demand for this level of care provider. The College also created a Hands-on Healthcare Initiative to help educate and create excitement around healthcare professions for high school students. The program offers students the opportunity to spend a day at the College, where they get a hands-on opportunity to learn about healthcare. Students rotate through several stations and gain knowledge through hands-on experiences. In the fall of 2017, this program was expanded by offering a mobile Hands-on Healthcare unit via an ambulance, bringing this experience to students at their school.

In 2017, The Board of Trustees approved the exploration of offering its first terminal degree, a Doctor of Science in Physical Therapy (DScPT).

This program helps secure the educational faculty needed for physical therapy education. The program was approved by HLC in August 2018 and continues to graduate highly skilled educators in physical therapy. The College also began the Orthopaedic and Manual Physical Therapy (OMPT) Fellowship program. The fellowship program is now accredited by ACOMPT, which stands for the Accreditation Council on Orthopaedic and Manual Physical Therapy Fellowship Education.

In the fall of 2018, Bellin College began offering all required general education courses for undergraduate programs on campus. Each course is unique and has a healthcare baseline so students can connect the value of their courses to their profession.

In addition to the Diagnostic Medical Sonography (BSDMS) degree, the Diagnostic Cardiac Sonography (DSC) Certificate program was added in the fall of 2019 and offered a 1-year program for sonographers to learn the skill of ECHO (cardiac) scanning. Due to the strong demand in cardiac sonography, in fall of 2021 the BSDMS program added a second concentration in cardiovascular. Students now have the option to pursue a DMS degree in general-vascular which includes abdomen, vascular, and obstetrics or cardiovascular which includes adult echo, pediatric ECHO, and vascular.

As a leader in education and a demand for outstanding cancer care, in the fall of 2020 the College started a 3-year bachelor's program in Radiation Therapy, which was approved by HLC in the spring of 2020. This program admitted ten students who will complete a rigorous curriculum. The first class graduated in 2023 and was approved by the Joint Review Committee of Education in Radiologic Technology (JRCERT) in June of 2023.

In June of 2020, the board approved to convert the 4-year bachelor's degree in radiologic sciences to a 3-year BS program. The ever-increasing demands of healthcare professionals continues. In 2021, the college received approval for HLC to offer a Doctor of Physical Therapy Program (DPT), a Doctor of Nursing Practice (DNP), which will be an online option, expanding the nurses' knowledge for advanced practice, and a bachelor's degree in Surgical Assisting (BSSA). This degree will be a 3-year degree, offering students significant clinical experiences. The DPT program is an in-person program and

unique in that students will have a variety of clinical learning throughout greater Green Bay and beyond.

To accommodate our program growth, the college purchased a secondary location on December 31, 2021, at 2620 Development Drive, a short 10-minute drive from our Eaton Road location. The building was remodeled to accommodate the physical therapy, sonography, and graduate nursing programs, two science labs, five additional classrooms, faculty offices, additional student study spaces, and the Advancement Department.

To expand our reach to high school students, in addition to the college's Hands on Healthcare program, a Healthcare Academy was started in fall of 2022. This program allows high school students to take college level credits throughout their high school years and earn up to 42 credits. The college partners with local high schools for this initiative.

In December of 2022, the Board of Trustees approved the Psychiatric Mental Health Nurse Practitioner program. Degrees will be offered at the MSN and DNP level. Pending Higher Learning Commission approval, a target start date to begin the program is in fall of 2024.

After months of planning, collaboration, relationship building, and learning our parent company, Bellin Health Systems, merged with Gundersen Health System on December 1, 2022. The collective histories of Bellin Health and Gundersen Health System made this a successful process. Over the course of the next year, work will begin to combine operations for the new organization. Per the Board of Trustee bylaws, the name of the corporation is Bellin College, Inc. and Bellin Health System will remain the sole member of the corporation. In April 2024, the system announced their new merger name, Emplify Health. This name change will happen across the system over the next 3-5 years. Bellin College will remain as Bellin College, and the college name will not be impacted by system name change.

The college continues to grow and expand its program offerings to meet healthcare needs. We have partnered with local healthcare entities to provide the best curricular components for our students.

While the first students practiced in a small building that accommodated only 17 patients,

the current students have many varied experiences in a variety of hospitals and more than 189 clinical agencies, including acute care facilities, nursing homes, home health, clinics, public health, and a variety of clinic and community settings. Bellin College has provided educational programs for the region since 1909 and has a distinguished history in Northeast Wisconsin. The College has been responsive to the changing trends in education and healthcare as well as the needs of the community and beyond. Bellin College continues to grow and expand program offerings to meet the future needs of the communities it serves.

Digital Signs

Digital signs are located on both the Resch and Mike Van Asten locations, and are maintained by the Bellin College Marketing department. The digital sign outside of the Center for Academic Success, Teaching, and Learning Excellence (CASTLE) at the Resch location is maintained by the CASTLE.

- All digital ads will be designed by the Marketing office.
- No more than 7 to 10 slides will run at a time.
- Student-requested slides must be sponsored by a recognized Bellin College student organization or department and must promote a specific College function, program, service, or event. Marketing may add additional slides of their choosing to use as filler when space permits.
- Slides will be published on the digital signs approximately two weeks prior to the event, fundraiser, notice etc. and will continue to run for the duration of the event, deadline of notice etc. If an event requires participants to sign up in advance, then the slide may start sooner than two weeks prior if space permits. If a notice, activity, or fundraiser is in effect throughout the year, then the slide will be displayed as space permits throughout the year.
- Advertising questions and requests should be directed to the Marketing department.

Emergency Procedures

Bellin College is equipped with emergency phones and call buttons at the Resch location.

The emergency phones in the parking lots, identified by their blue lights, call 911 emergency services. There are also emergency call buttons located in the Resch location wellness center. Pressing these buttons will access 911 emergency services immediately.

The College has automated external defibrillators (AEDs) located at the front desks at both locations.

During an emergency or drill, all students and employees should be prepared to vacate the buildings. Students should familiarize themselves with the Bellin College campus emergency evacuation plans posted throughout the buildings. If the circumstances require an evacuation, gathering points have been established for both locations. For the Resch location it is the Bellin Clinic, 3263 Eaton Road; for the Michael Van Asten location it is the Holiday Inn Express, 1663 Hoffman Road. Students and employees can shelter at these locations if needed.

Students are encouraged to monitor, at a minimum, the College website, their student email, and personal cell phone for information in the event of a campus emergency. The text service utilizes phone numbers from student records, thus automatically enrolling all students upon college registration. Students may opt out of the service, realizing text messages are a primary means to deliver weather cancellations, Timely Warnings, and Emergency Notifications required by the Clery Act.

Various methods will be used to notify some or all segments of the campus community or greater public population. Notification will occur by any of the following means, or others, which may be necessary given the variables present in the emergency while weighing the intended target of the message:

- Public address announcements in the College buildings
- Text messages utilizing "BC Text Alerts"
- Bellin College Buzz app
- Social media posts
- Emails
- Telephone
- Video/TV display boards
- Bulletin boards
- Bulletins posted on building entrances and exits
- Bellin College website announcements

- News/radio announcements
- Fire Alarm

Additional information about emergency procedures is available in the [Annual Security Report](#).

They will then complete the follow-up and determine if any the quality improvement efforts need to be made. If an injury occurs and there is any medical evaluation or related bills, these will be processed through the injured parties' own medical/health insurance carrier. Event management Reports are confidential and

Housing

Bellin College is committed to providing exceptional healthcare education alongside a supportive campus experience. As part of that commitment, resources are available to assist students in finding housing. While Bellin College does not offer on-campus housing, to support the housing search, Bellin College has partnered with College Pads, a third-party platform that helps students find roommates and explore local rental listings, including apartments, duplexes, houses, and rooms for rent near campus.

Prospective and current students are encouraged to use this resource as a helpful tool in their housing search. Whether relocating to

Green Bay or exploring new living arrangements in the area, the platform offers a centralized place to browse available rental options and connect with local landlords.

Bellin College does not operate or manage the College Pads website. The rental listings available through College Pads are not approved, verified, or endorsed by the College. Bellin College does not inspect any of the properties listed and cannot guarantee the condition, safety, or overall quality of the rental units. All rental agreements are made directly between students and landlords, and Bellin College does not assume responsibility for any contractual arrangements.

Local and regional authorities will post public warnings during inclement weather.

If the College operation is canceled (cancellation of classes, labs and/or clinicals), details will be communicated via text message, the website, student email and/or local radio and television stations. The text service utilizes phone numbers from student records, thus automatically enrolling all students upon college registration. Students may opt out of the service, realizing text messages are a primary means to deliver weather cancellations, Timely Warnings, and Emergency Notifications required by the Clery Act.

Information about the closing will be available by 5 a.m. for day classes, labs and clinical and 1 p.m. for evening classes, labs and clinical.

Website:

Check www.bellincollege.edu for cancellations.

Reference the Acceptable Use Policy for guidance on acceptable use, inappropriate use, and user responsibilities. Users must exercise caution when forwarding messages, either internally or externally. Sensitive information - such as social security numbers, addresses, age, gender, etc. - must not be forwarded to any party outside of the College without the prior knowledge or approval of that individual.

User Responsibility

Users are expected to read email on a regular basis and manage their accounts appropriately.

Sharing passwords is strictly prohibited. Each user is responsible their account, including safeguarding access to the account. All email originating from an account is deemed to be authored by the account owner and it is the responsibility of that owner to ensure compliance with these guidelines.

Privacy

Bellin College will make every attempt to keep email messages secure; however, privacy is not guaranteed, and users should have no general expectation of privacy in email messages sent through the College system. Users must be aware that email can, depending on the technology, be forwarded, intercepted, printed, and stored by others. Email that is not encrypted can be viewed by people other than the intended recipient, while it is in transit or on mail servers. Because messages can be stored in backup systems, email may be retrievable when a traditional paper letter would have been discarded or destroyed.

Email Etiquette

When using email as an official means of communication, users should apply the same professionalism, discretion, and standards that they would use in written business communication. Furthermore, users should not communicate anything via email they would not be prepared to say publicly. The following practices should be followed when using email.

- Use a meaningful subject line when sending a message.
- Be concise.
- Use proper spelling, grammar, and punctuation.
- Avoid abbreviations that the reader may not be familiar with.
- Do not attach unnecessary files.
- Use proper layout and structure.
- Do not overuse the high priority option.
- Use upper and lower-case letters in your message. Messages typed in all upper case give the impression of shouting.
- Be selective about recipients. Use of distribution lists or 'reply all' features should be carefully considered and only used when necessary.
- Read the email before sending.
- Only use delivery and read receipts when necessary.
- An example of the signature line can be reviewed in the CASTLE Canvas course

System Monitoring

Bellin College collects statistical data about its email systems consistent with generally accepted business practices. The College monitors the use of email to ensure the ongoing availability, reliability, and security of the system.

The College may employ, at any time, tools to analyze statistical information to detect unauthorized usage, denial of service attacks, capacity planning and network problems. Under certain circumstances, it may be necessary for the IT staff or other appropriate College officials to access email files to maintain the system, to investigate security abuse incidents, and violations of this or other College policies. Such access will be on an as-needed basis and any email accessed will only be disclosed to those individuals.

Mailbox Size Limits

The Outlook mailbox quota is set at 2GB for all users, this includes the messages in your inbox, sent items and deleted items. The College has the right to restrict the amount of user space on the email server as necessary and to revise the size restrictions, as necessary.

Records Retention

Individuals are responsible for saving email messages as they deem appropriate. Messages are automatically purged from folders in order to save storage space. Automatic purge amounts are as follows:

- Sent - 365 days
- Deleted Items - 90 days
- Junk - 30 days

Inbox items are not automatically deleted. Individual users are responsible for deleting unneeded email in order to stay within their mailbox quota.

Email Size Limits

A 100-megabyte size restriction for all email is enforced whether being sent or received. This is necessary to preserve network bandwidth and mailbox storage resources.

Email Signature

Email signatures indicating name, job title, address, contact info and other particulars are strongly recommended for all email messages whether sent to internal or external receivers.

Data Backup

The email system is backed up on a nightly basis and stored for 30 days.

SPAM and Virus Protection

Bellin College utilizes SPAM filtering and anti-virus software. Virus-infected email often appears to be sent from a friend or coworker and will contain an attachment. This attachment is the virus carrier and, by opening the attachment, the virus code is executed. Attachments should be opened only when you are sure of the sender and message.

IT Services will make every effort to prevent these types of messages from entering our system. Contact the Helpdesk if any doubts exist; helpdesk@bellinCollege.edu; (920) 433-6666.

Information Technology – Online Proctoring

If a Bellin College course requires a student to take a test or quiz online, some or all features of a online proctoring tool may be required by the instructor for the exam to proceed. This may require the student to use an online proctoring tool on their personal computer, as well as allow the online proctoring tool access to that computer's webcam and microphone for the duration of the exam. Students may also be required to provide proof of identity prior to taking the online exam. Any confidential student information, including audio or video captured by the tool will be used exclusively for verifying the academic integrity of the online test, and will not be shared with any organization outside Bellin College and the online proctoring tool except with written permission from the student.

Information Technology – Online Verification

All coursework submitted (be it online, in person or by mail) must be an original representation of the student's work. The student who registers for Bellin College courses must be the same person who participates in, completes, and receives the academic credit. Any violation will be subject to the academic misconduct policies.

Information Technology – Student Technology Requirements

All Bellin College students are required to have access to their own PC (running Windows 8 or

higher, or MacOSX 10.11 or higher), high speed internet, a webcam, and microphone for online coursework. It is recommended this computer be a notebook or tablet device which can be used on campus as well as at home. Chromebooks and Netbooks are not guaranteed to work with all Bellin College software.

Bellin College complies with the Americans with Disabilities Act (ADA) to provide all students with appropriate and reasonable accommodations for those with documented disabilities. If students anticipate requiring any auxiliary aids or services, they should contact accommodation services in student affairs at accommodations@bellincollege.edu.

Accommodations for disabilities are determined as a result of self-disclosure by the student. The primary objective of accommodation services at Bellin College is to encourage and facilitate students' self-advocacy. Self-advocacy entails empowering students to effectively communicate relevant information regarding physical, emotional, sensory, or learning challenges to student affairs at accommodations@bellincollege.edu. The aim is to ensure accessibility to the diverse range of education, programs, and services available at Bellin College. The accommodations process is completed confidentially with student affairs. Before meeting with a member from student affairs, students must have completed and submitted the proper paperwork, which can be found on the website, a member of the student affairs office, etc. This paperwork must be completed by a licensed professional (not a family member) qualified to make the diagnosis and includes but is not limited to providing a description of the disability, including a clearly stated diagnosis and history.

- Recommendations for accommodations
- Any related supporting medical or academic documentation

Students must renew their accommodations each academic year by completing the appropriate documentation and sending it to

accommodation services in student affairs at accommodations@bellincollege.edu. The exception is students in the 15-month program.

seeking accommodations from approved licensed professional by (a) describing the diagnosis and history, including names and scores of evaluations, (b) describing how the disability impacts the student's functioning in daily life and educational settings, and (c) recommendations for accommodations.

Bereavement Policy

Bellin College is a close-knit, caring community committed to student success. In the event that a student experiences the death of a loved one during the course of an academic term, the student may request to utilize the Bereavement Policy for Students. Bellin College recognizes the impact that a loss may have on the emotional and academic well-being of a student and wishes to support the student during this stressful time. Bellin College also understands that grief impacts every student differently and, therefore, this policy is not an attempt to quantify the impact of the death of a loved one or in any way address the nature of the grief process. Rather, the purpose of this policy is to provide a formal process to allow grieving students access to bereavement services, as well as the opportunity to be available for their families/loved ones during times of death and grief.

Under this policy, a student will be excused from class for funeral leave, subsequent bereavement, and/or travel considerations. While this policy excuses a student from class attendance, the student remains responsible for all material covered in class and must work with each individual professor upon return to complete any required work.

Typically, the student bereavement policy involves that of an immediate family member as defined below; however, it is up to the discretion of the student affairs office and other applicable college personnel to determine if a death outside of the immediate family warrants implementation of the student bereavement policy:

The immediate family includes:

- Parent(s) or legal guardian(s)
- Siblings
- Spouse or partner
- Children
- Other relatives living as members of the student's household
- In-laws
- Grandparents

Relationships outside the immediate family may include, but are not limited to:

- Aunts or uncles
- Cousins
- Nieces or nephews

Disclaimer: The College reserves the right to review specific situations to determine if exceptions to the established bereavement policy are warranted.

Procedure:

The standard bereavement policy suggests three days of leave, but the actual amount will vary based on the relationship with the deceased, religious, or cultural beliefs, and coursework/clinical hours. A student who wishes to take time off due to the death of a loved one must notify the Student Affairs Office who will communicate with the Program Director to create approved arrangements for coursework or clinical that will be missed.

Steps For Student:

1. The student must notify the Student Affairs Office prior to the start of the bereavement leave at campuslife@bellincollege.edu
2. A representative from student affairs will notify the necessary and appropriate on-campus offices (faculty, academic advisor, program director, dean, etc.) of a student's bereavement leave and anticipated return date.
3. The student is required to provide appropriate documentation to the Student Affairs Office at campuslife@bellincollege.edu.
 1. Acceptable documents may include: a funeral program, obituary, signed letter from funeral home, notice of death, or death certificate. Failure to provide documentation will result in the absences being considered unexcused.

4. Upon return to the institution, it is the responsibility of the student to communicate with their instructors about any missed assignments and arrange to complete missed work.
5. If an instructor fails to follow this policy, the student may appeal the instructor's decision in writing to the director of student affairs under the general grievance procedures.

Bias Incident Reporting

In order to flourish in an educational and work environment, all members of a college campus must feel safe and respected as equally valued members of the community. At Bellin College we support the freedom for all to express their points of view and the open exchange of ideas. This is true even in situations where those points of view may run counter or potentially be inflammatory to some. However, freedom of expression does not give permission for anyone to engage in speech or behavior that is rooted in intentional displays of hate or to act on their biases in ways that intimidate or threaten the safety of other individuals. A bias incident is defined in the policy as "behavior that is hostile, harassing, intimidating or discriminatory and is based on actual or perceived race, color, religion, ethnicity, national origin, sexual orientation, gender, gender identity, disability or other difference."

The actions of undergraduate and graduate/ students are expected to be consistent with the standards of conduct, core values, and student foundational behaviors. Bias incidents affect the well-being and success of campus community members and contradict the professed values of Bellin College; thus, the college has the responsibility to be proactive in preventing and being prepared to address the full range of bias incidents.

To be considered a bias incident, the act is not required to be a crime under any federal, state or local statutes. Colleges and universities may handle bias incidents through grievance procedures, such as the student conduct process, or through educational programs to enhance awareness and enable prevention of such acts.

The Vice President of Student Affairs, Enrollment, and Belonging (or designee) will be in contact

with the student who has been accused of the bias incident within five business days of the report.

Hate Crimes

A hate crime is any bias incident that involves a crime of violence, property damage or threat. According to deferral and Wisconsin laws, that can include:

- Written graffiti on the side of a student's car.
- A social media post threatening to assault a specific individual because of their membership in a protected category.

While the majority of reported instances of bias-related actions on college campuses may best fit the definition of a noncriminal bias incident, hate crimes do happen on college and university campuses and must be reported to meet Clery Act requirements.

All bias incident reports are considered confidential. All parties, students, and employees are required to exercise confidentiality and privacy in relation to all verbal and written communications.

Reporting Options

If you have experienced or witnessed a bias incident, there are several ways to submit a report:

Students can use the [online report form](#) that is available. Once the form is completed and submitted, the Vice President of Student Affairs, Enrollment, and Belonging or designee will follow up.

Students may submit a phone report by calling the Vice President of Student Affairs, Enrollment, and Belonging by calling 920-433-6656 during business hours. If one decided to leave a message, a call will be returned at the earliest possible time during the next business day.

An in-person report can be made by scheduling a meeting with the Vice President of Student Affairs, Enrollment, and Belonging or the Chief Academic Officer.

Why Should I Report

While bias incidents sometimes target specific individuals, they often violate an entire group or community. Graffiti on the wall, defaced fliers, anonymous emails, and slurs or language meant

to harass individuals convey a message of intolerance. By reporting such incidents, you help the college community to maintain a positive learning, living, and working environment.

Center for Academic Success, Teaching, and Learning Excellence (CASTLE)

The Center for Academic Success, Teaching, and Learning Excellence (CASTLE) provides content-specific tutoring, academic coaching, writing help and support for career development. CASTLE offers individual and group study spaces, computers with access to a printer and a learning hub where some faculty hold office hours and workshops. Complaint Process

Bellin College seeks to resolve all concerns in a timely and effective manner. To that end, this complaint process serves as an ongoing means for any individual to discuss concerns or register formal complaints that pertain to alleged violations of State consumer protection laws that include but are not limited to fraud and false advertising; alleged violations of State laws or rules relating to the licensure of postsecondary institutions; and complaints relating to the quality of education or other State or accreditation requirements. Academic Affairs, Student Services, Admissions, Bursar, Registrar, and Financial Aid all provide specific administrative means to address and resolve most, if not all of the questions and concerns someone may have. Bellin College is committed to excellence and strives to create a caring

environment. We welcome concerns about our services and programs in order to make quality improvements on our campus. Bellin College designates the Office of Student Affairs as responsible for receiving, investigating, and potentially resolving complaints.

- Automobile information change.

Drug Abuse and Alcohol Prevention Program

The purpose of this policy is to provide an alcohol and drug-free environment for faculty, students, administration, and support staff at Bellin College in order that the College may carry out its mission and comply with the Drug-Free

Workplace Act of 1988. As well as to allow appropriate events at the college's discretion to allow alcohol in moderation.

The College does not oversee the personal lives of College community members on or off campus. However, everyone is expected to be responsible for their own conduct and abide by all state laws and follow College policies and guidelines. The unlawful manufacture, distribution, dispensing, possession, use, or being under the influence of a controlled substance or alcohol is prohibited within the Bellin College buildings and in clinical. All events with alcohol must be approved by the appropriate college personnel and the consumption of alcohol at such events must be in moderation. The College cooperates with civil authorities in the enforcement of local, state, and federal laws. Violations of federal and Wisconsin laws regarding drugs and alcohol will be considered a violation of the Bellin College foundational behaviors and should be reported to the Director of Student Affairs and DEI or Dean of Students and Allied Health Sciences within two business days. A violation of drug and alcohol use must be reported to the respective state or national board examination organization if applicable. Eligibility for credentialing and licensure is at the discretion of the respective regulatory body.

Penalties against persons found in violation of this policy include disciplinary action up to and including termination from the College program, or employment. Persons found in violation may be required to participate satisfactorily in a drug or alcohol abuse assistance or rehabilitation program which is approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency.

Welfare, Health, and Safety Responsibilities Students shall:

- Never use, possess, or distribute narcotics, hallucinogens, mind, or body-altering drugs, controlled substances, or dangerous drugs except as expressly permitted by law.
- Never consume, possess, distribute or be under the influence of alcoholic beverages in violation of Wisconsin State Law or College policy.
- Never smoke or use tobacco on Bellin College property and adhere to such policies of clinical agencies.

Students not in compliance with these responsibilities are subject to disciplinary action,

including monitoring, probation, or dismissal. An immediate suspension may result in an ask to participate in an alcohol, drug, or other screening. The student in question may be put on temporary suspension until the incident has been investigated by appropriate college personnel and results in the student's return to good standing, probation, or dismissal.

DRUG ABUSE AND ALCOHOL PREVENTION PROGRAM

The Drug-Free Schools and Communities Act (DFSCA) of 1989 - also known as the Drug-Free Schools and Campuses Act - requires institutions of higher education to establish policies that address unlawful possession, use, or distribution of alcohol and illicit drugs. The DFSCA also requires the establishment of a drug and alcohol prevention program.

Bellin College is committed to maintaining a drug-free campus. Given this objective, the college prohibits the unlawful manufacture, distribution, dispensation, possession or use of illegal drugs on its property or as part of any of its activities. All members of the Bellin College Community (faculty, staff, and students) are encouraged to review the information on the website as well as consult the Bellin College Guide and Employee Manual (Policy 6.17).

Resources available for alcohol and drug abuse problems include the Bellin Health Services, such as the Employee Assistance Program and Student Assistance Program through Bellin Health and other community resources. Family Educational Rights and Privacy Act (FERPA)

Bellin College complies with the Family Education Rights and Privacy Act (FERPA). Once enrolled, all students have a right to inspect and review most of the educational records maintained about them by Bellin College under FERPA of 1974 (as amended). Under most circumstances, no identifiable data (non-directory) will be released to a third party without the written consent of the student. Students may challenge information in their records which they believe to be inaccurate, misleading, or inappropriate and request a revision.

The College implements all provisions of FERPA as amended. For purposes of general records accountability, a file system has been established for all student records under the supervision of the Registrar. The FERPA record release exceptions:

- Release of directory information. (Please see below for what is considered directory information.)
- Instances when state or federal agencies request information essential to fulfill legal requirements for accreditation.

- Requests from agencies or organizations from which students have received financial aid.
- Requests in accordance with a lawful subpoena or court order.
- Requests from College officials with legitimate educational interests. (Please see below for the definition of a College official.)

A College official is defined as a person employed by the College in an administrative, supervisory, academic, research or support staff position, law enforcement and health staff, a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another College official in performing his or her tasks.

Bellin College has defined the following as directory information:

- Name
- Address
- Email address (College)
- Phone number
- Date of birth
- Confidential recommendations to which the student has in their records prior to January 1, 1975
- Dates of attendance, year in college and enrollment status
- Academic honors
- Previous institutions attended.
- Participation in recognized activities
- Photograph

Please note: Students complete the FERPA disclosure permission forms as part of the orientation process. Forms are also kept in the One Stop Shop for any students who wish to update disclosure permissions. A new form must be completed by the student to change access permission to the student's record. Students should be aware that placing a FERPA hold on all records includes limiting the College's ability to provide a reference or verify enrollment or degree information. Students can select the transparency of the specific information visible within our student information system

Students can request access to records, documents and other materials directly related to them by appointment with the Registrar or the Chief Academic Officer.

Students may not have access to:

- Personal information of College employees.
- Employment records.
- Medical, psychiatric, or similar records used solely for treatment purposes and available only to recognized professionals in connection with such treatment. Students would be able to have such records inspected by a doctor or appropriate professional of their choice.
- The financial records of their parents used for financial aid purposes.
- Confidential letters and statements of recommendations placed in their records prior to January 1, 1975, and/or confidential recommendations to which the student has given prior written waiver of access and which are used for job placement, admissions, or award purposes.
- Admission records accumulated prior to enrollment.

Disclosure to Parents

When a student turns 18 years old or enters a postsecondary institution at any age, all rights afforded to parents under FERPA transfer to the student. However, FERPA also provides ways in which schools may share information with parents without the student's consent. For example:

- Schools may disclose education records to parents if the student is a dependent for income tax purposes.
- Schools may inform parents if their son or daughter is involved in a health or safety emergency.
- Schools may inform parents if a student who is under age 21 has violated any law or its policy concerning the use or possession of alcohol or a controlled substance.

Family Educational Rights and Privacy Act – Procedure for Review of Records

If a student wants to review his or her files, he or she should:

- Submit a written request to the Registrar, identifying the records they wish to inspect. Although FERPA allows the College to act on

the request within 45 days of the day they receive a request for access, Bellin College will usually be able to make arrangements within 10 business days. The Registrar will notify the student when and where the records may be inspected.

- Allow a College official (Registrar or Chief Academic Officer) to be present when the record is reviewed.
- Sign a required waiver of College responsibility for further confidentiality if copies of any information are made and given to the student.

Students have the right to seek changes to the information contained in their education records if they believe it is inaccurate or misleading. Academic or clinical grades given in individual units and/or courses are an exception. Students should write to the College official responsible for the record. In the communication, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The student has the right to file a complaint with the U.S. Department of Education concerning alleged failure by Bellin College to comply with the department requirements of FERPA. The name and address of the office that administers FERPA is:

U.S. Department of Education
Student Privacy Policy Office
400 Maryland Ave, SW
Washington, DC 20202-8520

General Data Protection Regulation (GDPR)

The General Data Protection Regulation (GDPR) was designed to coordinate and streamline data privacy laws across Europe; to protect and ensure that all EU citizens can have some expectation of data privacy; and influence the way organizations across the European Union (EU) approach data

privacy. It also affects any organization, inside or outside of the EU that is involved in processing data, which could identify a person, either directly or indirectly.

Bellin College is committed to the principles contained within the GDPR (General Data Protection Regulation) and particularly to the concepts of information security, privacy, protection, and consent with regard to data. A high priority is placed on protecting and managing data in accordance with accepted industry standards. Bellin College will work closely with students and educational partners to meet the above stated obligations. The information technology and Student Services departments are committed to ensuring a secure data environment for all data subjects. Bellin College will monitor and assess risk factors regarding data protection and the usage of data and make changes, as necessary.

Graduation

Graduation dates are established as the last day of the semester session or the date of Commencement. Students have three possible graduation dates: May, October, and December.

Undergraduate students who have six or fewer credits to complete at the conclusion of the spring semester may participate in the commencement ceremony, but they are expected to complete those credits the summer immediately following the ceremony.

Bellin College's standard transcribed graduation dates are May, October, and December. Commencement ceremonies are held in May, October (15-Month option only) and December. An August graduation date may be allowed if students have special/extenuating circumstances that require they take summer courses. These cases must be reviewed and approved by the appropriate Dean and Program Director.

An intent to graduate form must be completed by all seniors and graduate students prior to graduation. Upon receipt of the form, the Registrar's office performs a degree audit to verify that all requirements for graduation have been met. The due date will be communicated, but students must submit this form in the

semester prior to their last semester of study. Forms can also be obtained via the website or from the Student Services One Stop Shop office.

Hazing Policy

The purpose of the hazing policy is to ensure that each member of the Bellin College community is cared for and treated with dignity and respect.

Bellin College is dedicated to educating healthcare professionals through innovation, leadership, and service that promotes lifelong learning and excellence. Choosing to be part of the Bellin College community, students promise to treat the community with care and respect the dignity of all persons, including self; live with integrity, communicate truthfully, etc.

Hazing is any action or situation intentionally created that causes embarrassment, harassment or ridicule and risks emotional and/or physical harm to members of a group or team, whether new or not, regardless of the person's willingness to participate. Hazing is also defined as an act which endangers the mental or physical health or safety of a student, or which destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group or organization.

While positive initiation traditions can serve as building blocks to camaraderie, it is important to recognize when an activity constitutes hazing. Further, it is important to note that social pressure can constitute forced or requisite participation, even if the activity is claimed to be voluntary.

Bellin College will not tolerate hazing in any form. The student(s) involved will face disciplinary action separate from an organizational review. Students who are involved and charged with hazing will be subjected to the Student Behavior Conduct Process. All reports will be investigated. Hazing reports may be filed under a grievance or general complaint to the Vice President of Student Affairs, Enrollment, and Belonging.

Student Freedom of Speech

The purpose of this policy and statement is to protect the right of freedom of speech for Bellin College students.

POLICY AND PROCEDURES:

As an educational institution, we support the freedom of expression of ideas and, statement, we affirm the worth and dignity of all people and the limitless value of their intellectual potential; the commitment to create a diverse, equitable, and inclusive environment illustrated through the beliefs and actions of our workforce and student body; lifelong learning; innovation; broad vision, effective communication, a sense of the inter-relatedness of all knowledge, sensitivity to the human condition, and a global perspective; the value of a lifelong commitment to service; and the value of ethical leadership that is inclusive, collaborative, directed towards effecting change for the greater good.

The College recognizes that some ideas will be viewed as offensive and disagreeable by some, perhaps even most, members of the community. However, it is not the role of the College to shield individuals from ideas and opinions they find unwelcome, disagreeable, uncivil, or even deeply offensive. Rather, we encourage students of the College community to act according to the principle that the best response to ideas that they find offensive is speech, not censorship. Participating in a community where there is a diverse range of opinions, perspectives, and experiences is rewarding for all of our members and the College is committed to nurturing and celebrating this experience. We expect that diverse views and opinions will create conflict and disagreement among us at times, but the genuine sharing of ideas, perspectives, and values presupposes both freedom and responsibility. Consequently, we expect all members of the community to engage in civil discourse, reasoned thought, sustained discussion, and constructive participation. The freedom to express ideas, exchange views, and engage in protest is essential to the life of the College.

The College encourages students to make independent judgments about the worth and validity of ideas and to contest ideas with which they disagree. Any effort by members of the College community to limit openness in this

academic community is a matter of serious concern and hinders the freedom of expression and the discovery of truth. All students are therefore free to express their points of view on, or opposition to, any issue of public interest within reasonable restrictions of time, place, and manner. Each member of the community is also expected to encourage and facilitate the ability of other community members to express themselves freely. No group or individual has the right to interfere with the legitimate activity of other authorized persons and groups, as such activity compromises the College's goal of creating an environment where issues can be openly discussed.

The freedom to debate and discuss the merits of competing ideas does not, of course, mean that students may say whatever they wish, wherever they wish. Bellin College has obligations to protect the dignity and security of all members of the College community from those who would seek to use speech primarily to deprive others of their freedom to learn, their freedom to contribute, and their freedom to participate in our community. Thus, the College may seek to restrict expression that: 1) violates state or federal law; 2) constitutes slander, threats, or harassment; 3) unreasonably invades individual privacy or violates confidentiality interests; or, 4) is directly incompatible with the functioning of the College as dedicated to the public good. In addition, the College may reasonably regulate the time, place, and manner of expression to ensure that it does not disrupt the ordinary activities of the College. However, these are limited exceptions to the general principle of freedom of expression, and it is vitally important that these exceptions not be used in a manner that is inconsistent with the College's ideals relating to the free and open discussion of ideas.

If students were to express or conduct themselves in ways that consist of hatred, hurtful actions or words, unethical behavior, or are not consistent with the college's mission, vision, values, campus policies, and foundational behaviors, are then subject to disciplinary action against the student such as the Student Behavior Conduct Hearing Procedures, the Student Performance Notification (SPN) Policy, the Bias Incident Policy, and other policies and procedures that may apply.

The College is committed to the principles of the free expression of ideas and providing an atmosphere of civility and mutual respect

Student Rights and Responsibilities

Students can expect their rights to freedom of expression and association and to fair treatment if they respect those rights for their fellow students and the staff. Students will be expected to follow teachers' directions and obey all school rules. Disciplinary procedures will comply with the requirements of State and Federal law.

Parents have the right to know how their child is succeeding in school and will be provided with information on a regular basis and as needed, when concerns arise. Many times, it will be the responsibility of the student to deliver that information. If necessary, mail or hand delivery may be used to ensure contact. Parents are encouraged to build a two-way link with their child's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish their educational goals.

Students must arrive at school on time, prepared to participate in the educational program. If, for some reason, this is not possible, the student should seek help from the principal or designee.

Adult students, age eighteen (18) or older, are expected to follow all school rules. If residing at home, adult students should include their parents in their educational program.

Title IX Policy Statement and Form

Bellin College is committed to maintaining a living, working, from sexual harassment, sexual violence, and sexual discrimination. It is the policy of Bellin College to comply with Title IX. Title IX of the Education Amendments of 1972 is a federal civil rights law that prohibits discrimination on the basis of sex in federally funded educational programs and activities. Title IX prohibits sex discrimination in all College programs and activities including, but not limited to recruiting, admissions, financial aid, academic programs, student services, counseling, discipline, roster assignment, grading, and employment

To fill out a Title IX Complaint please fill out the [Title IX Complaint Form](https://www.bellincollege.edu/campus-life/student-services/policies-and-procedures/title-ix-complaint-form/) available on the college website (<https://www.bellincollege.edu/campus-life/student-services/policies-and-procedures/title-ix-complaint-form/>) or print the form provided below to fill out a paper copy.

SCOPE:

This policy applies to all College community members. Vendors, independent contractors, and other outside parties who conduct business with the College through affiliation and other agreements will be expected to comply with this policy as well, as specified by the terms of any contract or agreement between the College and such third party.

PURPOSE:

Bellin College believes that each individual should be treated with respect and free from any form of sexual harassment and/or discrimination based on sex is a violation of human dignity. Students, faculty, and staff have the right to work and learn free of sexual harassment and discrimination. The College maintains a "zero-tolerance" for misconduct based on sex and will take all reasonable efforts to prevent and promptly correct instances of Title IX violations. Additionally, students, faculty, and staff have the right to a structured process for resolution of their concerns.

Bellin College's purpose is:

- To communicate the mechanisms for investigating complaints in a manner that reasonably protects the privacy of individuals involved in situations of alleged sexual harassment, including sexual violence and/or discrimination based on sex.
- To ensure the provision of equal employment and educational opportunities to faculty, staff, students and applicants for such opportunities without regard to race, ethnicity, religion, sex, marital status, national origin, age, disability, gender identity, sexual orientation, veteran status, and any other groups protected by federal, state or local statutes.
- To protect all those involved who report or provide information related to Title IX violations from retaliation of any kind.
- To set forth guidance for preventing sexual harassment, including sexual violence and/or discrimination based on sex.
- To take timely action when sexual misconduct is alleged to have occurred.
- To establish a consistent process for resolving complaints of Title IX violations in a fair and just manner.

"Sex" for Title IX purposes includes biological or anatomical factors; actual or perceived gender; and actual or perceived sexual orientation. Sexual discrimination includes acts of sexual harassment. The US Departments of Education and Justice define sexual harassment as misconduct on the basis of sex that satisfies one or more of the following conditions: Unwelcome conduct that a reasonable person would determine to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to the school's education program or activity; sexual assault, as defined in the Clery Act, or dating violence, domestic violence or stalking as defined in the Violence Against Women Act (VAWA); a school employee conditioning education benefits on participation in unwelcome sexual conduct (i.e.; quid pro quo). Only one of the three conditions listed must be met for the conduct to be considered sexual harassment.

The federal Violence Against Women Act (VAWA) amendments and accompanying regulations clarify the duties of colleges to investigate and respond to reports of sexual assault, stalking, and dating and domestic violence, and to publish policies and procedures related to the handling of these cases. Under VAWA, colleges and universities also must provide training to the campus communities on sexual misconduct. Compliance with VAWA is a condition for colleges, like Bellin, that participate in the federal student aid program, and is administered

by the Department of Education's Federal Student Aid Office. New VAWA regulations were published by the U.S. Department of Education in October 2014 and became effective July 1, 2015.

Students, staff, and faculty who become aware of conduct that might violate these policies are urged to promptly report the conduct. When the sexual harassment creates a hostile environment, the College must address the issue. The US Departments of Education and Justice define hostile environment as an occurrence where "a student is sexually harassed and the harassing conduct is sufficiently serious to deny or limit the student's ability to participate in or benefit from the program".

The US Department of Education defines sexual violence as "physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent, for example, due to use of drugs or alcohol; or disability preventing a student from having the capacity to give consent". Sexual violence includes rape, sexual assault, sexual battery, sexual abuse, and sexual coercion. Sexual violence can be carried out by school employees, other students, or third parties (US Dept. of Ed. Office for Civil Rights, 2014).

Title IX prohibits retaliation against people for making or participating in complaints of sexual harassment, sexual discrimination and/or sexual violence. Bellin College prohibits retaliation against anyone for making a complaint, for assisting someone else in making such a complaint, or for participating in an investigation.

Vendors, independent contractors, and other outside parties who conduct business with the College through affiliation and other agreements will be expected to comply with this policy as well, as specified by the terms of any contract or agreement between the College and such third party.

Bellin College has designated a Title IX Coordinator, two Dep Title IX Advocate who will address complaints of Title IX violations.

POLICY:

Title IX is a federal civil rights law passed as part of the Education Amendments of 1972. This law protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. Title IX states

that: “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” Bellin College is only responsible for responding to conduct that occurs within its education program or activity. This policy does not apply to off-campus, private settings, which are not an education program or activity of Bellin College. The policy and grievance procedures do not apply to college community members outside of the United States.

Title IX applies to any institution receiving federal financial assistance from the Department of Education, including state and local educational agencies. Educational programs and activities that receive federal funds from the Department of Education must operate in a nondiscriminatory manner. Also, a recipient may not retaliate against any person for opposing an unlawful educational practice or policy, or because a person made charges, testified, or participated in any complaint action under Title IX.

The Title IX Final Regulations have been released on May 6, 2020. Bellin College continues to have a responsibility under Title IX to protect students' rights to equal education in an environment free from sexual harassment and discrimination based on sex. Relative to the latest guidance and regulations, Bellin College has implemented the processes needed to achieve compliance with regulations issued by the Department of Education.

Bellin College's policies and procedures are intended to afford a prompt response to reports of sexual misconduct, to maintain confidentiality and fairness consistent with applicable legal requirements, and to impose appropriate sanctions on violators of College policy. Bellin College promptly and thoroughly investigates and resolves complaints alleging sexual harassment, including sexual violence, and/or sexual discrimination. Bellin College offers resources and support to all College community members experiencing concerns. We encourage you to make us aware of these concerns so that we can offer support and resources to you and/or those involved.

It is the policy of the College to provide equal employment and educational opportunities to students, faculty, staff, and applicants without

regard to race, color, religion, sex, marital status, national origin, age, disability, gender identity, sexual orientation, veteran status, and any other groups protected by federal, state or local statutes. In addition, it is the policy of the College to comply with applicable state statutes and local ordinances governing nondiscrimination in employment and educational activities.

Acts of sexual harassment, sexual violence and/or discrimination based on sex are considered serious violations of this College policy. Because of the seriousness of these actions, the full range of institutional sanctions, including probation, termination, suspension, and dismissal may be imposed.

A College community member who believes themselves to be victim of sexual misconduct is encouraged to report the information in writing to the Title IX Coordinator. The College requires all Bellin College employees who receive information about sexual misconduct involving any college student, faculty, or staff member to report the incident to the Title IX Coordinator. The only exceptions for this are the individuals who provide confidential help, as listed below.

All student workers are considered mandatory reporters WHEN ON THE CLOCK. If a student worker becomes aware of information or an incident of sex discrimination/misconduct while acting in the capacity of their employment, a report must be made.

The College will broadly disseminate this policy and distribute a list of resources available to respond to concerns of sexual harassment, sexual violence and/or sexual discrimination. Additionally, students and employees will participate in appropriate educational programs on Title IX as a federal law, prevention, and violations of Title IX.

Additionally, this policy applies to all terms and conditions of employment including, but not limited to, hiring, placement, benefits, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, and training.

EMPLOYEE REPORTING PROCESS:

When an employee receives information that could constitute sex discrimination under Title IX the employee is required to report this information to the Title IX Coordinator within a reasonable timeframe. If an employee is confidential help the employee is required to

give the information regarding the incident without identifying the name of the student and or employee.

Location:

Under the Title IX regulations colleges have specific responsibilities regarding the locations where they are required to address and manage incidents of sex-based discrimination, harassment, and assault. These responsibilities include:

1. **Campus Locations:** Bellin College must address incidents that occur on campus, including academic buildings and other campus facilities.
2. **Off-Campus Locations:** Bellin College is also responsible for addressing incidents that occur in off-campus locations if these locations are related to the college's programs or activities. This includes off-campus study abroad programs, internships, clinicals, and other off-campus events or locations tied to the institution.
3. **Online Environments:** Bellin College must address incidents that occur in online environments if they are connected to the institution's programs or activities. This includes online classes, official online platforms such as the BC Buzz, and social media interactions related to the college.
4. **Third-Party Programs:** If Bellin College has substantial control over third-party programs or activities, it is responsible for addressing incidents within those contexts. This includes programs or events sponsored by the college but hosted by external organizations.
5. **Employment Contexts:** Bellin College is required to address incidents involving their employees, including faculty and staff, if the incident impacts the educational environment or involves sex-based discrimination or harassment in the employment context.

These regulations aim to ensure that the College provides a safe and non-discriminatory environment for all students, regardless of where incidents occur, as long as they are connected to the institution's educational programs or activities.

Live Hearing: A formal complaint of sexual harassment would constitute a live hearing. The Title IX grievance procedure provides for a live hearing. At the hearing, the decision-maker(s) must permit each party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those which challenge credibility. The decision-maker will determine whether the question is relevant and explain any decision to exclude a question as not relevant. Bellin College must create an audio or audiovisual recording or transcript of any live hearing. The college must provide parties with an equal opportunity to present facts, witnesses, and other evidence.

Location of Incidents: Bellin College is only responsible for responding to conduct that occurs within its education program or activity. Bellin College's jurisdiction for Title IX incidents is

limited to conduct that occurs within the college's education program or activity. If the college chooses to address off-campus incidents involving students, it will need to occur as part of the student conduct process rather than the Title IX process. The complainant will be required to be a participant or attempting to participate in the college's education program or activity for a formal complaint to be filed. The policy and grievance procedures do not apply to individuals outside of the United States.

Official with Authority (Previously Responsible Employee): All faculty and all staff with supervisory or leadership responsibilities or responsibilities related to student welfare are required to report acts of discrimination, discriminatory harassment, sexual harassment, sexual violence, crimes, and concerning and/or disruptive student behaviors. These individuals have authority to institute corrective measures on the college's behalf. All additional staff and students are strongly encouraged to report concerning behaviors.

Presumption of Innocence: Grievance procedures and written notice of the allegations must include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Record Retention: Documentation related to the investigation, including any determinations, appeals, Alternative Resolution and training materials must be retained for a period of seven years. This documentation must also be made available to the complainant and respondent.

Respondent: An individual who has been reported (accused) could constitute sexual harassment.

Retaliation: Intentional action taken by an individual or allied third party that harms a complainant, witness, reporter, or any other individual for filing or participating in a College investigation. The college expressly prohibits retaliation against any person who may intimidate, threaten, coerce or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, because the individual is involved in a Title IX proceeding. Retaliation includes charges against an individual for code of conduct violations that do not involve sex discrimination

or sexual harassment but arise out of the same facts or circumstances as a report or complaint for sex discrimination or sexual harassment.

Review of Evidence: The college must send the evidence and draft investigative report to both parties and their advisors prior to the completion of the report. Each party must have at least 10 days to submit a written response before the investigative report is finalized.

Right to Appeal: The college is required to offer both parties an equal right of appeal to a Title IX proceeding. Parties must appeal on at least one of the following grounds for appeal:

- Newly discovered evidence that was not reasonably available when the determination of responsibility was made that could affect the outcome.
- Bias or conflict of interest against one or both parties that affected the outcome.
- Procedural irregularity that affected the outcome.

Roles and Responsibilities: Designate separate individuals as the Title IX coordinator, investigator(s), and decision-maker(s). This forbids the "single investigator" or "investigator-only" models from Title IX grievance processes. Title IX personnel are required to be free from conflicts of interest or bias for or against complainants or respondents (see additional explanations above).

Mandatory Reporters: All faculty and staff at Bellin College besides the Academic Success Coordinator and the Academic Advisor are considered mandatory reporters for Title IX. This means that regardless of the position or status, all faculty and staff are required to disclose Title IX related information and/or incidents that came to their attention.

Facilitator: The Title IX team are made up of facilitators which consist of the Title IX Coordinator, Title IX advocates, and Title IX Coordinators who all help execute the Title IX policies and procedures.

Sanctions: The college may impose a range of sanctions such as probation, suspension, termination, or dismissal.

Sexual Discrimination: Sex discrimination involves treating someone (a student or employee) unfavorably because of that person's sex. Discrimination against an individual because of gender identity, including transgender status, or because of sexual orientation is discrimination.

Sexual Harassment: Misconduct on the basis of sex that satisfies one or more of the following conditions: Unwelcome conduct that a reasonable person would determine to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to the school's education program or activity; sexual assault, as defined in the Clery Act, or dating violence, domestic violence or stalking as defined in the Violence Against Women Act (VAWA); a school employee conditioning education benefits on participation in unwelcome sexual conduct (i.e., quid pro quo). Only one of the three conditions listed must be met for the conduct to be considered sexual harassment.

Sexual Violence: The United States Department of Education's Office of Civil Rights 2014, defines sexual violence as "physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent. An individual's inability to consent to sexual activity may arise from use of drugs or alcohol or individual conditions including intellectual or other disability". Sexual violence includes rape, sexual assault, sexual battery, sexual abuse, and sexual coercion. Sexual violence can be carried out by school employees, other students, or third parties.

Stalking: A pattern of conduct directed at a specific person to fear for her, his, or others' safety, or to suffer substantial emotional distress.

Standard of Evidence: Bellin College will use the preponderance of the evidence standard and apply the same standard to all formal complaints of sexual harassment, including those involving employees or faculty members.

Standard for Response: The Title IX Coordinator must promptly contact the complainant confidentially to discuss the process for filing a formal complaint and supportive measures. The Title IX Coordinator will respond to the complainant with the necessary information within three (3) business days. In the event of the Title IX Coordinator's absence the Deputy Coordinator is to be contacted.

Supportive Measures (Replaces Interim Measures): Once an institution has actual knowledge of potential harassment and a formal complaint has been filed, the College will take immediate steps to provide the complainant and respondent supportive measures. Bellin College is required to offer supportive measures such as

class reassignments or noncontact orders. Supportive measures are designed to free, individualized services to restore or preserve equal access to education, protect safety or deter sexual harassment. It is non-punitive or disciplinary with respect to another student.

Title IX Coordinator: An employee designated by the college to coordinate its efforts to comply with Title IX responsibilities. The coordinator may also be an investigator. The Title IX coordinator's name and contact information on the college website, print materials and is available to applicants for admission and employment, students, parents, legal guardians, and employees. Any person may make a report to the Title IX coordinator by person, by mail, by phone, email, or other means. A complaint "may be made at any time". After hours, reports may be made via voicemail to the Title IX coordinator.

Training: Training of Title IX personnel must include training on the definition of sexual harassment, the scope of the school's education program or activity, how to conduct an investigation and grievance process (e.g., hearings, appeals, Alternative Resolution), how to serve impartially (i.e., without conflicts of interest or bias) and any technology used during a live hearing. These materials must be posted on the website or be made available for the public. The training provided must be free of "sex stereotypes" and must promote impartial investigations.

Written Notice: The college must provide written notice to the parties that include sufficient details, such as the identities of the parties involved, if known, the specific section of the policy that was violated, the conduct allegedly constituting sexual harassment and the date and location of the alleged incident, if known. The college must also send written notices of any investigation interviews, meetings, or hearings.

PROCEDURE:

ALTERNATIVE RESOLUTION (IR) PROCESS:

1. To move forward with an Alternative Resolution process a Title IX Complaint Form must be filled out (link below). Once the form is filled out it must be submitted by email or in person to the Title IX Coordinator. Written notice will be provided to the parties that include sufficient details. The Title IX Coordinator

may offer the parties the opportunity to become involved in an Alternative Resolution process. Likewise, either party (complainant or respondent) may petition the Title IX Coordinator in writing to offer an Alternative

Resolution process to the other party. The Title IX Coordinator who determines if an Alternative Resolution is appropriate given the allegations.

2. The Title IX Coordinator and or facilitator will supervise the Alternative Resolution process. The facilitator will present the option of an Alternative Resolution and proposed terms to each Party independently and in writing. All related communication will go through the Title IX Coordinator. Participation in an Alternative Resolution is voluntary for all parties and requires full informed and written consent. If either party does not agree with the proposed terms, or is uninterested in engaging in negotiations, the party may ask to move to a formal resolutions process at any time before signing the Alternative Resolution Agreement.
3. The IR will be voluntary for both parties and each party must submit a written request to become involved in the IR. An Alternative Resolution cannot be offered if the complainant is a student and the respondent is an employee.
4. The IR will not require the parties to confront each other in a room.
5. The parties may consult their advisor or have their advisor present when a meeting occurs.
6. Either party may withdraw, without penalty, from the IR at any time before an agreement is signed by both parties. If either party withdraws, the Title IX process will resume.
7. A signed resolution agreement is binding on both parties.
8. The facilitator(s) has the authority to end the resolution process if the facilitator(s) believes that one or both parties are not operating in good faith. If this happens, the formal grievance process will resume.
9. Both parties and the facilitator (s) will have an opportunity to discuss the final outcome(s)/agreement. An IR agreement may include, but is not limited to, an admission of responsibility, an admission of false allegations, disciplinary/punitive sanctions, counseling, and involvement in an educational program.
10. The Facilitator(s) and both parties must all agree to the outcome. Once the facilitator will write a binding agreement based upon the parties verbal agreement with the negotiated outcome(s). Separately, both parties will then be offered the opportunity to sign this IR agreement. If

either party refuses to sign this agreement, the IR will be considered failed and the formal Title IX process will resume.

One-on-One Communication:

- It is appropriate to use face-to-face communication only when the individual seeking an Alternative Resolution does not feel threatened, there is no risk of physical harm and the individual seeking an Alternative Resolution believe the other person will be receptive.
 - Email/
written correspondence is the preferred method of communication and must go through the Title IX coordinator or facilitator. If the individual seeking an Alternative Resolution chooses to communicate face-to-face, they should also send an email summarizing the face-to-face interaction. Keep copies of any written communication. Communication should include:
 - A factual description of the incident(s) including a description of the unwelcome behavior, date, time, place, and the names of any witnesses.
 - A description of any consequences that the individual seeking an Alternative Resolution has experienced due to the unwelcome behavior.
 - A request for the unwelcome behavior to cease.
 - If the individual seeking an Alternative Resolution does not feel comfortable with the one-on-one communication or if the individual seeking an Alternative Resolution believes that the communication was not successful, the individual should consider other informal or formal procedures.

Third Party Assistance:

If an individual seeking an Alternative Resolution desires the assistance of a third party to attempt to resolve the situation informally, the individual seeking an Alternative Resolution may approach any one of the following resources:

- Title IX Coordinator
 - Bellin College Security
 - Bellin Human Resources (faculty and staff)
 - The individual seeking an Alternative Resolution’s supervisor or the supervisor’s supervisor (faculty, staff & student employees).

All faculty, staff and students are strongly encouraged to report any actions or behaviors believed to be in violation of this policy. Allegations of sexual misconduct that come to the attention of faculty or staff with supervisory or leadership

responsibilities or responsibilities related to student welfare must be reported to the Title IX Coordinator.

If the situation is not able to be resolved informally or if the individual seeking an Alternative Resolution chooses not to engage in an Alternative Resolution, the individual seeking an Alternative Resolution may submit a formal complaint in writing to the Title IX Coordinator using the procedures below.

FORMAL RESOLUTION PROCESS:

In all cases of an allegation of sexual harassment, including sexual violence, and/or discrimination based on sex, the individual(s) making the allegation may choose to bypass the Alternative Resolution options and to proceed to a formal process. The Title IX Complaint Form can be used to report a concern of sexual misconduct located at:

Once the form is filled out it must be submitted by email or in person to the Title IX Coordinator.

The Title IX regulations permit formal complaints that initiate the grievance process to be filed only by a complainant or the Title IX Coordinator. At the time of the complaint, the complainant must be participating in or attempting to participate in the college’s education program or activity. Bellin College has the discretion not to initiate the Title IX grievance process for complaints made by former students or employees. The regulation does not prohibit parties from voluntarily waiving their rights to the grievance process required by the regulation. As a result, the college may create an alternative, streamlined investigation and adjudication process to be used only if the parties voluntarily consent to it and its use does not amount to deliberate indifference. Parties may voluntarily consent to Alternative Resolution in lieu of a formal investigation and hearing.

If at any point in the investigation, the college determines that the conduct alleged in the formal complaint does not constitute sexual harassment; did not occur in the college’s education program or activity; or did not occur against a person in the US then the college

must dismiss the complaint for its Title IX grievance procedure. The college has discretion to address such conduct under another policy, such as a student code of conduct, if it wishes to.

The college may dismiss a formal complaint at any time if the complainant would like to withdraw the complaint; the respondent is no longer enrolled or employed by the institution; or specific circumstances prevent the college from gathering evidence sufficient to reach a determination.

Bellin College will work to include reasonably prompt time frames for conclusion of the grievance process, including appeals and Alternative Resolutions, with allowance for short-term, good cause delays or extensions of the time frames. The college will describe the range of supportive measures available and sanctions the college may impose on a respondent, following determinations of responsibility. The college will treat complainants equitably by providing remedies at any time a respondent is found responsible and treat respondents equitably by not imposing disciplinary sanctions without following the grievance process.

TITLE IX GRIEVANCE PROCESS:

See the detailed Summary of Major Provisions of the Department of Education's Title IX Final Rule

1. A formal written complaint shall set forth in reasonably sufficient detail the nature of the alleged sexual harassment (based on the definition) the respondent(s) against whom the complaint is made, the name(s) of any witnesses, and any available evidence or sources of evidence submitted to the Title IX Coordinator. The formal complaint can be filed by a complainant or signed by the Title IX Coordinator.
2. Upon receipt of a written complaint, the Title IX Coordinator shall first determine if the complaint states facts sufficient to believe that a potential violation of the Title IX sexual harassment or a potential violation of federal and/or state laws has occurred. The Title IX Coordinator will notify the complainant in writing of its decision within five working days. Allegations will be sent by a written notice to both parties. Supportive measures will be put in place. If allegations do not meet the definition of sexual harassment or did not occur in the college's education program or activity against a person in the US, the allegations are dismissed..
3. If there is the potential of a violation of the Title IX Policy or federal and state laws, the Title IX investigator(s) will conduct a prompt,

thorough, and impartial investigation.

Privacy of a party's privileged record is not accessed unless written consent is obtained.

4. The college has the burden of gathering evidence and the burden of proof. The Title IX investigator(s) will objectively gather and consider relevant facts. The Title IX investigator(s) will ensure that statements of the complainant, the respondent, and all witnesses are documented and that the investigation is conducted in a thorough, objective manner and is considerate of all of the parties involved.
5. A live hearing and cross-examination are part of the grievance process. At the live hearing, the Decision-Maker(s) must permit each party's Advisor to ask the other party and any witnesses all relevant questions. Each party will have an equal opportunity to present facts, witnesses, and other evidence. The cross-examination must be conducted directly, orally, and in real time by the party's Advisor of choice and never by a party personally.
6. The investigation will normally be concluded within 30 v and respondent will be notified in writing of any reasonable delays.
7. There is no restriction of the ability of the parties to discuss evidence (no "gag" orders). The investigation will be private and confidential to the greatest extent possible.
8. In all cases of formal allegations, the Title IX investigators will write an investigative report, including a summary of the complaint and the fi on a preponderance of evidence.
9. The written investigative report shall be available for review by the complainant, the respondent, and to the appropriate College authority. Each party will have 10 days to review the draft investigation report and submit a respo
10. In consultation with the appropriate College Administra Maker will make a determination on the action(s), if any, to be taken.
11. The Decision-Maker will communicate the determination of action(s) to the respondent, and to the appropriate College personnel within five working days of conclusion of the investigation. The College will take immediate and corrective action as appropriate.

The Hearing:

When the complainant requests to file a formal complaint, or when the Title IX Coordinator files one on behalf of the institution, the Title IX

Coordinator and Hearing Facilitator will coordinate the hearing for alleged violations of the Title IX Policy Discrimination Policy.

Once the investigation is complete and the investigative report is finalized, the college will schedule a hearing, giving each party at least ten (10) business days' notice of the hearing being scheduled.

College representatives will meet in a pre-hearing conference with the complainant and respondent to discuss their rights in the hearing, share about what will take place, and answer any questions that participants may need answered. This meeting is called a pre-hearing conference, and will take place at least five (5) business days prior to the hearing. Parties may bring their support person and/or process advisor to this meeting

Party Opening Statements:

- The complainant and the respondent may submit opening statements for the hearing, which they will read at the start of the hearing.
- Statements must not exceed three (3) typed pages of 1500 words if single-spaced. The complaint and respondent can decide what information should be included within their statements, but may choose to discuss the impact of the alleged incident or how involvement in this case has impacted them individually.
- All documents must be submitted at least three (3) business days prior to the hearing; instructions for submitting will be provided during the pre-hearing conference.

Subjection to Questioning:

- Parties are encouraged to participate in the hearing, but are not required to do so. Witnesses will also be invited to participate in live cross examination. Statements and other evidence provided during the investigation, along with statements during the hearing and cross-examination, may be considered for decision making by the Hearing Officer. The Hearing Officer will not draw an inference about the determination regarding responsibility based solely on a party or a witness's absence from the live hearing and/or refusal to submit to questioning by the parties' advisors.

Hearing Format:

At the hearing, the complainant and the respondent will be given space in separate areas to convene and prepare for the hearing before being called into the hearing room. Both parties will be able to see the Hearing Officer and hear/see one another. However, upon request of either party, the parties will be separated into different rooms with technology enabling the parties to participate simultaneously and contemporaneously by video and audio.

An audio record will be kept of the proceedings and made available to each party for their audio review, at their written request. A copy of the audio recording is not available for dissemination or duplication.

The hearing may also take place fully virtually, if necessary, to allow for a timely response to the allegations.

An outline of the hearing format will be provided to parties at the pre-hearing meeting, but will generally utilize the following format:

- Opening instructions and introductions;
- Review of the Rights of the parties;
- Opening statements by Complainant and Respondent;
- Questioning of the Complainant:
 - By Hearing Officer;
 - By Process Advisor for Complainant
 - By Process Advisor for Respondent;
- Questioning of the Respondent:
 - By Hearing Officer;
 - By Process Advisor for Respondent;
 - By Process Advisor for Complainant;
- Questioning of Witnesses (Including Investigator):
 - By Hearing Officer;
 - By Process Advisor for Complainant and Respondent;
- Closing statements by Complainant and Respondent
- Closing instructions
- Deliberation and Decision-Making

Following conclusion of the decision-making process, the Hearing Officer, with administrative support from the Title IX Coordinator and/or other college administration will prepare a written decision that includes the following information:

- Identification of the allegations potentially constituting Sexual Misconduct made in the formal complaint;

- A description of the procedural steps taken by the college upon receipt of the formal complaint, through issuance of the written decision, including notification to the parties, interviews with the parties and witnesses, site visits, methods used to gather non-testimonial evidence, and the date, location, and people who were present at or presented testimony at the hearing.
- Findings of fact that support the determination;
- A statement of, and rationale for, each allegation that constitutes a separate potential incident of Sexual Misconduct, including a determination regarding responsibility for each separate potential incident based on a standard of preponderance of evidence;
- Any sanctions to be imposed;
- Any ongoing supportive measures or other remedies as determined by the Title IX Coordinator; and
- A description of the process and grounds for appeal.

The Title IX Coordinator and/or designee will be responsible for sharing the findings of the Hearing Officer concurrently, through Bellin College email, with the complainant and respondent. Parties will be notified within five (5) business days about the outcome of the hearing. It is expected that everyone involved in the hearing process will follow all standards and expectations established for participants, as outlined in pre-hearing meetings.

Sanctions and Remedies:

If a complaint of Sexual Misconduct is found to be substantiated, the college will take appropriate corrective, disciplinary, and remedial action to stop the inappropriate conduct, address its effects, and prevent its recurrence. Students, faculty, and employees found to be in violation of this policy will be subject to discipline up to and including written reprimand, suspension, probation, demotion, termination, or expulsion. Affiliates and program participants may be removed from college programs and/or prevented from returning to campus.

The college will impose appropriate sanctions on a case-by-case basis, depending on the severity and/or pervasiveness of any violations. In determining appropriate sanctions, the Hearing Officer may examine and consider a number of factors, including, but not limited, to:

1. Level of ongoing risk or harm to the community;
2. The nature and seriousness of the violation;
3. Use of drugs or alcohol;
4. Motivation underlying the respondent's behaviors; and
5. The Respondent's record of past misconduct, including prior violations of the same or similar type.

Sanctions will not be implemented until after the appeal deadline has passed or, if an appeal is filed, until after the appeal has concluded. However, the college will keep supportive measures in place until the decision is final and the Title IX Coordinator has notified parties that the supportive measures are no longer in place.

The following includes a list of the possible sanctions that may be imposed upon any respondent found to have violated the policy. The college has the authority to tailor sanctions, such as both punitive outcomes and educational outcomes, to address specific situations.

Possible sanctions include:

- Disciplinary Probation
- Suspension
- Expulsion
- Postponement of Graduation
- Withholding Proof of Degree
- Degree Recission g. Transcript Notation
- Prohibited Admission or Readmission
- Organizational Sanctions
- Counseling Referral
- Parental Notification
- Educational Outcomes, including training, discussion, and reflective opportunities
- Other Actions Designed to Avoid and Prevent Future Violations, including:
 - Limitations on co-curricular engagement, such as removal from a leadership position, or on-campus employment
 - Ongoing no-contact order

In the event that a respondent is suspended or expelled because of a finding of responsibility under this policy, a notation will appear on their transcript. A hold may be placed on a student's account until completion of necessary sanctions.

If a finding of responsibility occurs through any of these complaint resolution procedures, the complainant is entitled to ongoing remedies designed to preserve or restore equal access to the college's education program or activity. The

range of remedies available to a complainant include but are not limited to the supportive measures listed in the policy, but remedies are not required to be non-disciplinary or non-punitive and may burden a respondent.

APPEAL PROCESS:

1. The final regulation mandates that either party be allowed to appeal the determination of any dismissal of the complaint within 5 days of the determination, on the following grounds:
 - Procedural irregularity that affected the outcome
 - New evidence not reasonably available
 - Conflict of interest or bias by the college's participants that affect the outcome.
2. The non-appealing party must be notified of the appeal and allowed to submit a written statement in response.
3. The appeal Decision-Maker(s) cannot be the same as the hearing Decision-Maker(s). Nor can the appeal Decision-Makers(s) be the Title IX Coordinator or the investigator(s) who worked the case.
4. The appeal must conclude with a written decision by the appeal Decision-Maker describing the appeal and the rationale for the result that is provided to the parties simultaneously. The final determination will be made using the college's evidence standard, within five working days after receiving the written appeal.
5. The final determination will be communicated in writing to the individual
6. who submitted the appeal and shall be considered final.

Request for Postponement:

Postponements of deadlines or hearings shall not be granted except when extenuating circumstances exist, as defined in this section. Extenuating circumstances or situations, which preclude the complainant or respondent from meeting the deadline or attending the hearing, are very limited. Examples of extenuating circumstances include either party suffering from an incapacitating medical condition or emergency, supported by a physician's note, or a death in the party's immediate family.

The unavailability of process advisors or a support person is not a reason for postponement. The complainant and respondent are expected to modify their personal calendars to meet the deadlines and hearing dates.

Some instances of Sexual Misconduct may also constitute criminal conduct. In the case where alleged criminal conduct has also been reported to law enforcement, the college may temporarily delay its investigation of the complaint where necessary to avoid interfering with law enforcement. However, the pendency of a criminal investigation does not serve as a substitute for these procedures and the investigation and resolution process will commence promptly once interference is no longer a concern.

In addition, because the standard of proof that applies in these procedures (i.e., preponderance of the evidence) is different than the standard necessary for a criminal conviction (i.e., proof beyond a reasonable doubt), the college's determination will not be held in abeyance due to the pendency of a criminal trial.

Annual Report: The Title IX Coordinator shall provide a statement documenting the number of complaints received pursuant to this policy, the categories of those involved in the allegations, the number of violations found, and examples of sanctions/corrective actions imposed for policy violations that is in conjunction with the College's Annual Security Report.

Administrative Review: In the absence of a formal complaint, the President's Cabinet has the authority to initiate an administrative review at the request of a department, program, or area when in the requested by a supervisor when in the judgment of the President's Cabinet a review is necessary. As necessary the College reserves the right to serve as complainant and to initiate an investigation without a formal complaint. The College encourages any member of the College community who feels he or she has been subjected to sexual misconduct to use the complaint procedure outlined in this policy. Additionally, an individual has the right to file a complaint with outside enforcement agencies including the United States Department of Education's Office of Civil Rights (OCR), the Equal Employment Opportunity Commission (EEOC), or state or local law enforcement or prosecution authorities.

Respondent Takes Leave, Fails to Cooperate:

In the event that the respondent decides to take an informal or formal leave from the college prior

to, during, or preceding the hearings and before an outcome is delivered, the following may be put into effect:

- Investigation will continue with the opportunity granted for the respondent to participate, with a notation made on the student's transcript, indicating that the hearing is in process, or indicating any findings of responsibility (as founded)
- Respondent may not be able to re-enroll without the authorization of the Title IX Coordinator; and/or
- Formal complaint may be dismissed.

Process Advisors:

Bellin College provides access to an individual (typically, a staff or faculty member) trained as a process advisor for both the complainant and respondent. The advisor will be available to accompany each student during all investigative meetings, hearings, and other meetings related to the complaint. Neither party is obligated to work with a process advisor provided by the college. Either party can elect to have an individual of their choosing serve as a process advisor.

The process advisor may assist the complainant or the respondent in preparing for the hearing and in navigating the related processes, and will conduct cross examination on all parties who make statements during the hearing. Process advisors provided by the college have no legal training or knowledge and are not attorneys; they do not advocate or speak on behalf of the parties. At the request of a party, a process advisor will be made available within two (2) business days after an initial request for a process advisor is initiated by the complainant or respondent.

If a complainant or respondent does not provide their own advisor at a hearing, the college will provide an advisor. Students cannot participate in the hearing without an advisor present.

Hearing Officers:

Because of the unique and sensitive nature of these matters, these cases are heard by a specially trained Hearing Officer. The Hearing Officer may be a Bellin College staff/faculty or an externally hired expert, and is trained and provided by the Title IX Coordinator. Training for Hearing Officers may include: knowledge of Title IX and other sexual/gender based discrimination

and harassment, the college policy and procedures, trauma-responsive practices, determining relevance of evidence presented, and other relevant topics.

The complainant and respondent will each have the opportunity to challenge a Hearing Officer on the basis of any perceived or actual bias. The Hearing Facilitator and Title IX Coordinator will discuss with the parties their reasons for opposition to a specific Hearing Officer if bias concerns are raised, and will make a determination on the perceived bias.

The college is committed to ensuring that its resolution processes are free from actual or perceived bias or conflicts of interest that would materially impact the outcome.

Dismissal of a Formal Complaint:

If a preliminary assessment of the formal complaint determines that the conduct at issue falls outside of the scope of Section VII A. (Title IX), it will be dismissed from Section VII A. and addressed according to Section VII B. (Other Prohibited Conduct).

Formal Complaints will fall outside Title IX Sexual Harassment, Sexual Misconduct, and must be dismissed when:

- The conduct does not constitute Sexual Harassment or sexual misconduct or discrimination
- The conduct did not occur in the college's education program or activity;
- Student exists the institution during the process
- The conduct did not occur against a person within the United States; and/or
- The complainant was not participating or attempting to participate in the college's program at the time of the complaint.

AMENDMENTS OR TERMINATION OF THIS POLICY:

Amendments to this policy were implemented August 2020 in compliance with the May 6, 2020 Final Title IX Regulations issued by the Department of Education. Bellin College reserves the right to modify, amend, or terminate this policy at any time.

Other confidential resources would be a clergy, counselors at Life Matters Student Assistance Program or Life Matters Employee Assistance Program (EAP).

Confidential resources will not disclose information about incidents of sexual misconduct to anyone, including law enforcement or the College, except in situations, such as when failure to disclose the information would result in imminent danger to the individual or to others. In this case, the victim would be told that initially. The Title IX Advocates would then bring forward the issue to the Title IX Coordinator and Deputies. Because of the confidential nature of these resources, disclosing information to or seeking advice from a confidential counselor does not constitute a report or complaint to the College and will not result in a response or intervention by the College.

Payment Policies and Procedures

1098-T Tax Forms

The 1098-T tax form includes information that colleges and universities are required to issue for the purpose of determining a student's eligibility to receive the American Opportunity Credit, Lifetime Learning education tax credits, or other education credits on form 1040.

Bellin College reports this information directly to the IRS; therefore the 1098-T is for your information only and does not need to be attached to your tax return.

As each student's tax liability is subject to various personal factors, student and parents are encouraged to seek additional information directly from the IRS or their personal tax adviser.

Eligible students will receive an email notification in late January when their 1098-T Tax Information is available in their MyBC portal.

Administrative Withdrawal Due to Nonpayment of Tuition and Fees

If a student fails to make payment in full, enroll in a payment plan, or make acceptable payment arrangements with the Bursar to bring the account current by the established due date, the student will be placed on a hold; and access to all records and classes will be blocked for two

weeks. If a student fails to meet with the Bursar and make acceptable payment arrangements during this hold period, then the student may be administratively withdrawn from the Bellin College program.

If a student is administratively withdrawn their tuition and fee charges will be adjusted according to the College's withdrawal policy. It may also be necessary to adjust or return financial aid if a student is administratively withdrawn. A detailed description of the College's withdrawal refund policy can be obtained from the Bursar Office or be accessing the Bellin College Guidebook at: <https://www.bellincollege.edu/campus-life/student-services/policies-and-procedures/bellin-college-guide>

Administrative withdrawal decisions will be made in a fair and equitable manner by a committee of college representatives that will include the Vice President of Business and Finance, Registrar, Bursar, Director of Financial Aid, and other applicable Bellin College personnel.

The student may appeal this decision; however, the appeal must be made within one week (five business days) of the decision. To appeal, the student must contact the Vice President of Business and Finance in writing to request reinstatement. Payment in full or acceptable payment arrangements must be made before the student is allowed to attend Bellin College classes. Tuition and fee charges will, at this time, be based upon the tuition and fee schedule for semester charges plus the applicable late fee(s) and/or payment plan enrollment fee. Failure to abide by the payment arrangement will result in immediate withdrawal from the College.

Overpayment of Account

Students with overpayments/credit balances either through excess financial aid or personal payment have the option to hold their credit on their account for a future term or receive a refund check for the overpayment/credit amount. To have the overpayment/credit held on the student account, the student must notify the Bursar in writing to hold the overpayment/credit for future charges, otherwise their overpayment/credit will be automatically refunded after the add/drop period.

Refund checks for overpayment/credit balances are processed after the add/drop period has passed. Refund requests are processed once a week and students are notified via their Bellin College email once their refund check is available to be picked up in Student Services. Refund checks can also be mailed to the student upon their request.

Payment Policy

Bellin College requires payment by the established due date each semester. Failure to make payment by the due date will result in the student account being assessed a \$25.00 late payment penalty charge per month.

The College offers the following options for payment by semester/term:

1. **Standard Pay Plan:** The student shall pay all charges due on their account by the established due date for the semester. The student will incur no late payment penalty if the student pays the entire balance in full when due. If full payment is not made by the due date specified, a late payment penalty will be imposed on the balance due, and the account will be treated as delinquent.
2. **Semester Payment Plan:** Payment of each semester's tuition and fees is made through a contractual agreement with the Bellin College Bursar Office. A per semester non-refundable enrollment fee is applied to the student's account. Monthly payments not received by the established due date are subject to a late payment penalty. Failure to comply with the terms of the semester payment plan will result in cancellation from the payment plan and the full amount of tuition and fees due.

Payments are due by the date specified on the billing statement unless a payment arrangement has been initiated with the Bursar. Payment due dates are specified in the academic calendar on the College website. Payments may be made via cash, personal check, certified check, or money order. Payments by ACH or credit/debit card are accepted online for an additional fee at: www.bellincollege.edu/payment.

Bellin College has the right to take steps to collect a student account balance, including but not limited to the following: prohibiting a student from participating in current classes; prohibiting a student from registering for classes

for future semesters; withholding course credits and diploma until the balance is paid in full; turning over the student account to a collection agency or attorney; and taking legal action to collect the balance due. Students who fail to resolve their balance may be subject to administrative withdrawal from Bellin College.

Returned Payments

There is a \$25 non-refundable return payment fee charged to the student account for all returned payments (check or ACH) such as incorrect routing number, insufficient funds, etc.

The Bellin College Bursar will notify the student in writing about the returned payment and the reason for the return. Replacement payment must be submitted within 5 days of the return notice being sent.

Please note: Failure to make the replacement payment by the date will result in a late payment penalty and the student may be subjected to a hold and/or the administrative withdrawal policy. Individuals with multiple returned payments will be required to make all current and future payments to Bellin College by cashier's check or certified check/money order. Personal checks/ACH transactions from any party will not be accepted.

Semester Billing

Billing (tuition and fees) statements are made available to students each semester they are enrolled. Students can view their tuition and fee charges through their MyBC Portal each semester. Payment for tuition and fees is due by the published due date each semester. Due dates are published in the academic year calendar: (<https://www.bellincollege.edu/campus-life/calendar/>).

Student Payment and Disclosure Agreement

The Student Payment and Disclosure Agreement is an enrollment requirement as well as a requirement of the Federal Truth-in-Lending Act for all Bellin College incoming students. This agreement outlines the financial responsibility of the student during their enrollment at the College, along with relevant information about institutional policies related to billing and the student's college account. The Payment and

Disclosure Agreement states that the student will assume responsibility for charges accrued during their time at Bellin College. Noncompliance with this requirement may prevent matriculation and/or registration privileges.
