

# Attendance Policy

To assist in preparing the Nursing Assistant graduate to be successful, regular class attendance is **mandatory**. The student must be on time and present at all sessions to satisfactorily meet program competencies and provide for accurate evaluation of performance.

The State of Wisconsin Nurse Aide Training Program regulations require **100% attendance** at class, lab and clinical. To meet the requirements, every Nursing Assistant student must complete **all** 90 hours.

## Procedure

Regular attendance is **mandatory**. Per State of Wisconsin Policy, any missed class or clinical hours **MUST** be made up. Missed classroom hours must be made up as classroom time and missed clinical hours must be made up as clinical time. If you know you cannot attend all class and clinical sessions, we recommend you not register for the course.

Students are required to contact the instructor prior to missing a class or clinical. Arrangements for making up the time will be coordinated. In the event more than eight (8) hours are missed, program withdrawal or drop is recommended.
