

Graduation Fee (DSc only)

The Graduation Fee is a one-time, non-refundable fee that is added to the student's account when the student applies to graduate. The fee is charged with the billing for the final semester of enrollment. Graduation fees are transferable to another term as a credit if a student must extend enrollment beyond an anticipated date to complete requirements for a chosen program of study. The graduation fee covers costs related to all graduation processes, including but not limited to, graduation materials and processes, program expenses, shipping fees, and record maintenance and storage. The fee is charged regardless of whether the student intends to participate in the commencement ceremony. All qualified graduates are listed in the program at commencement.

Students enrolled in the Orthopaedic and Manual Physical Therapy Fellowship program are not charged a graduation fee.
